

## Giving to Sowers International

1. Make out a check to Sowers International with a note saying who the check is for and mail it to:

**Sowers International**  
**Post Office Box 2260**  
**Orange, CA 92859**

(You can send a check through your online banking function using this address, be sure to put what it is for in the memo.)

2. To give by credit card or direct bank transfer go to our website:

[www.sower.org](http://www.sower.org) (be sure you see our logo at the top)

Click on: DONATE

Follow the onscreen instructions to enter your info

Enter the amount you want to give in the box in front of the person or project you want to support.

Enter the date for the gift and the frequency, if you choose to set up automatic giving you can stop it at any time.

Select Credit Card or Electronic Transfer

We like Electronic Transfer, it's like sending a check without the paper, and there's no charge like the c.c.

All donations are tax deductible. You will receive a tax receipt and a new envelope by return mail. There will be a portion of the receipt that you can use in the future if you wish to continue your support.

A word on security: the only information you give out to do electronic giving is the same information you give every time you give out a paper check, those numbers are printed on the bottom of your check. We use a company called Stewardship Technology to process our donations; they are dedicated to serving God and His Church through the marriage of Biblical stewardship and technology. They provide technology products and services for churches and non-profit organizations that enhance their ability to fulfill their mission.

This giving system is totally secure. There is no risk to have your identity stolen or your bank account or credit card compromised.
